Ongoing Projects

MAKSTARS is an annual admission examination for all of India that looks for young potential and offers scholarships to candidates for national level competitive examinations like NEET and JEE for a two-year residential program in Mumbai.

Anfaal Foundation's
**EDUCATION
Fair 2023**

It is an annual event that provides thousands of parents and students with counseling and guidance. The major features of this special education fair include free personality tests, guest lectures, and booths from various educational institutions.

Sunday
GUIDANCE CENTER

Students visit this center every Sunday to receive assistance with applying for various government and CSR scholarships. In addition, a professional psychologist is on hand to provide vocational and emotional counseling, which includes a free personality test.

IJTEMAI QURBANI

Every year on the occasion of Eid ul Azha, there is an annual mass qurbaani during which around 5000 packages of meat are handed, within a few hours, to the deserving people of our society.

**RATION
AID PROJECT**

Monthly ration relief is offered year-round to families with zero or extremely low income, including widows, orphans, and physically challenged members of our society.
